

KONFIGURASI EMEL DALAM SMARTFON

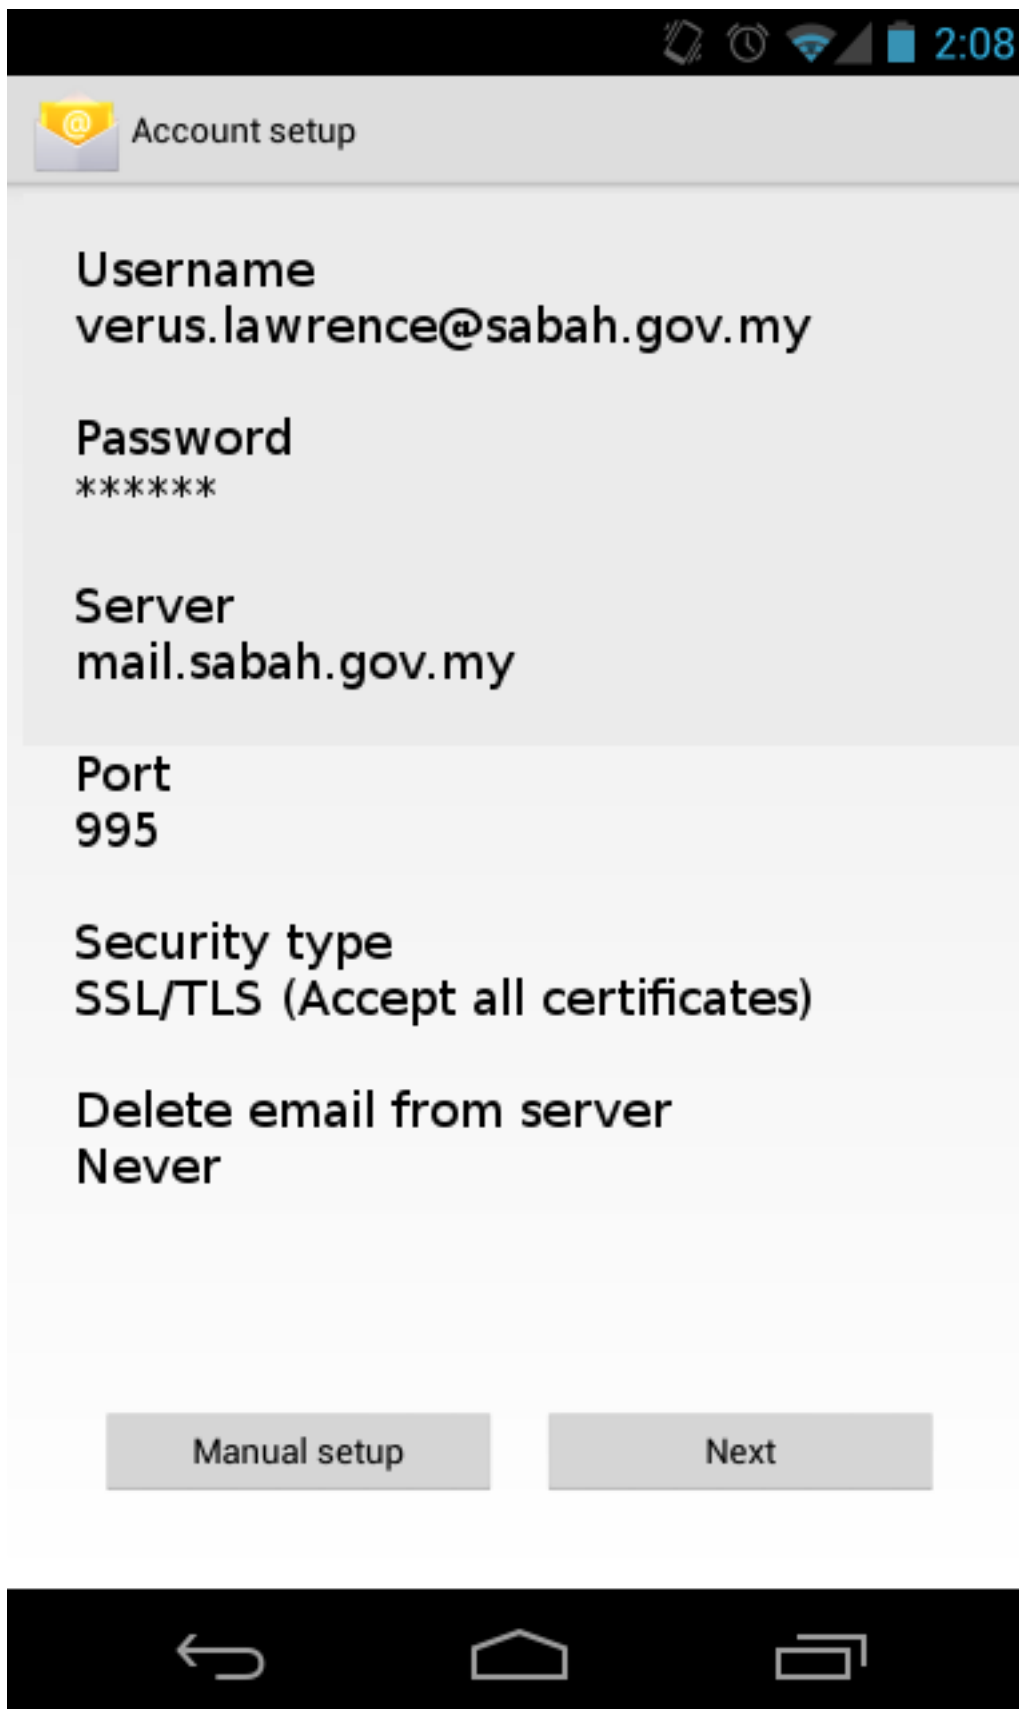

1. Buka
2. Isi kan maklumat berikut :
Email Address : verus.lawrence@sabah.gov.my
Password : *****

3. Pilih POP3

4. Lengkapi maklumat seperti di bawah :

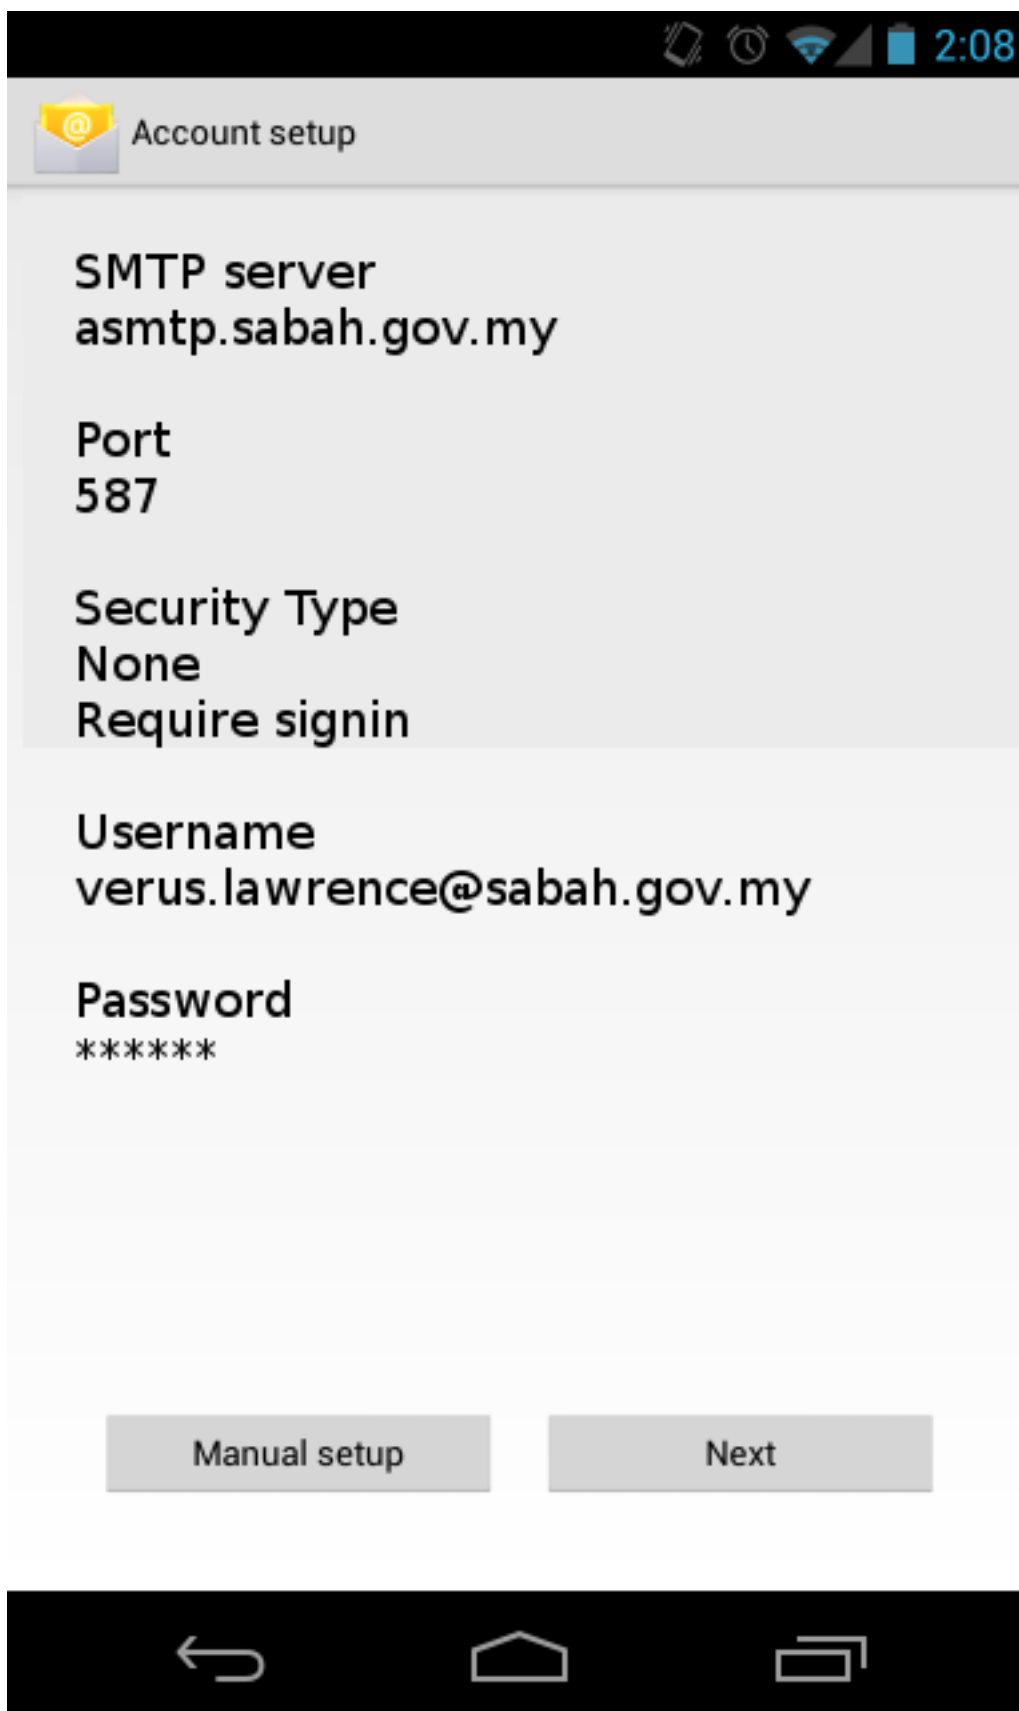

The screenshot shows an Android phone's 'Account setup' screen. At the top, the status bar displays icons for signal, Wi-Fi, battery, and the time 2:08. Below the status bar is a header with an '@' icon and the text 'Account setup'. The main content area is divided into several sections:

- Username:** verus.lawrence@sabah.gov.my
- Password:** *****
- Server:** mail.sabah.gov.my
- Port:** 995
- Security type:** SSL/TLS (Accept all certificates)
- Delete email from server:** Never

At the bottom of the screen, there are two buttons: 'Manual setup' and 'Next'. Below the buttons is the Android navigation bar with icons for back, home, and recent apps.

5. Lengkapi maklumat seperti di bawah :

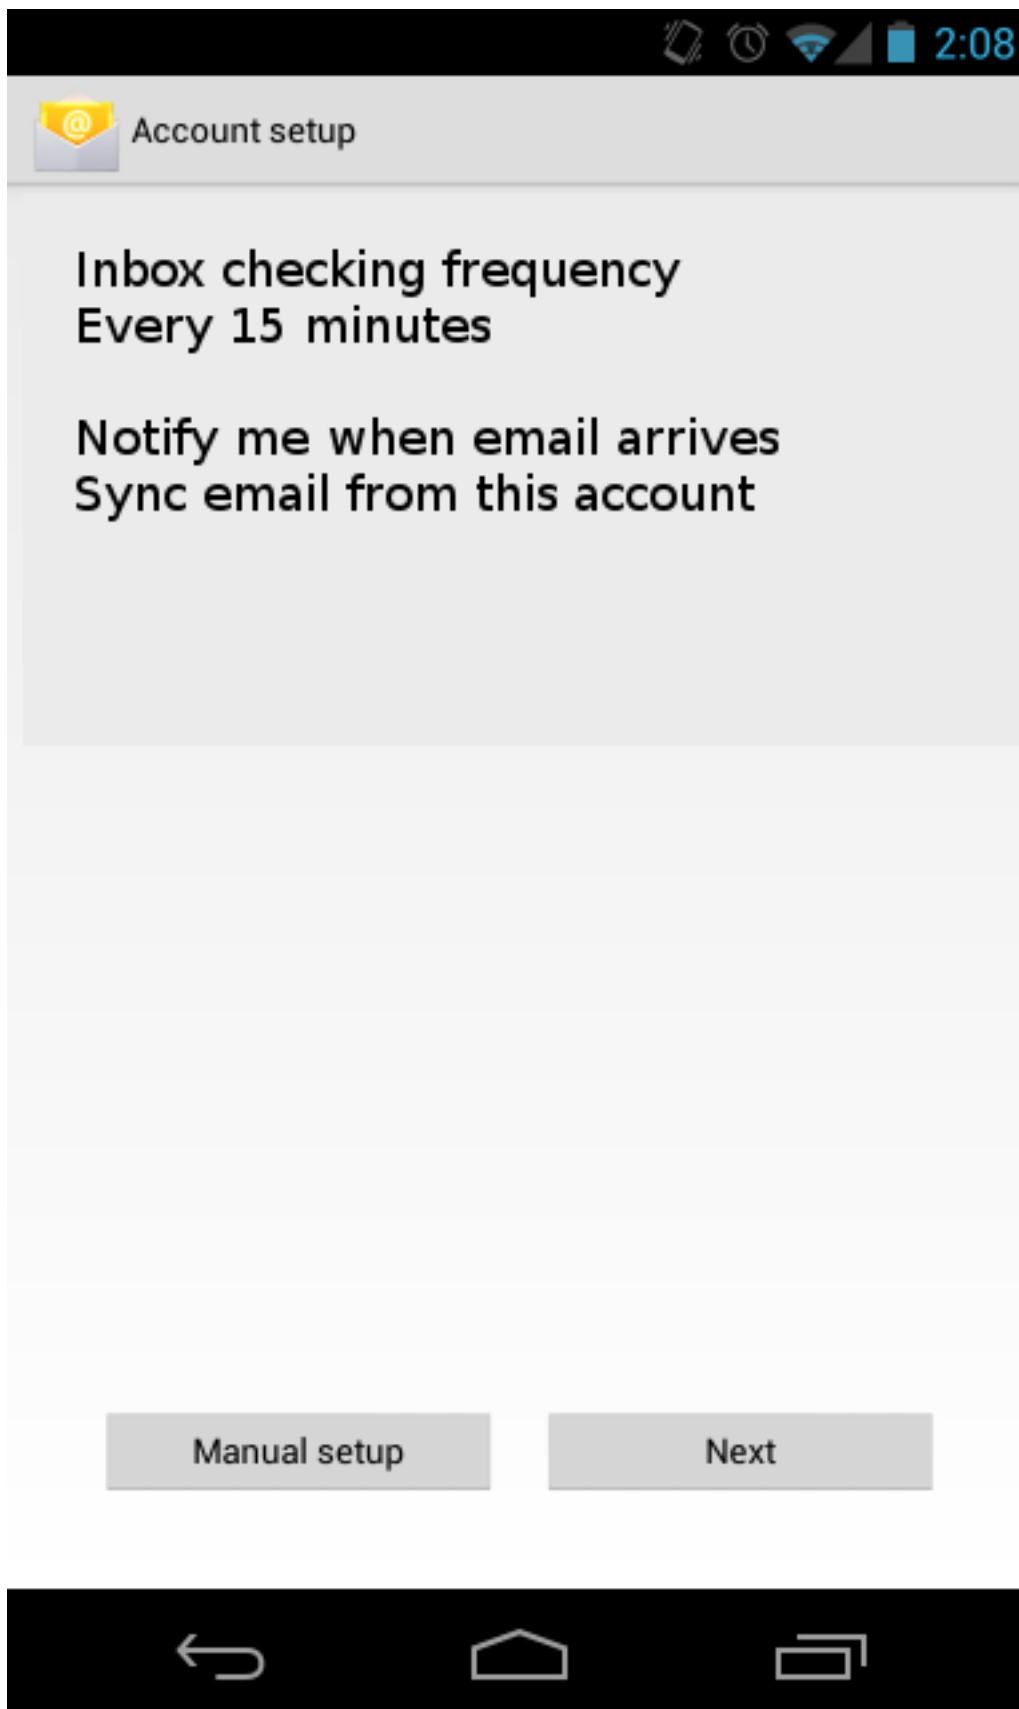

The screenshot shows an Android application interface for setting up an email account. At the top, there is a status bar with icons for mobile signal, alarm, Wi-Fi, and battery, along with the time 2:08. Below the status bar is a header with an '@' icon and the text 'Account setup'. The main content area is divided into several sections:

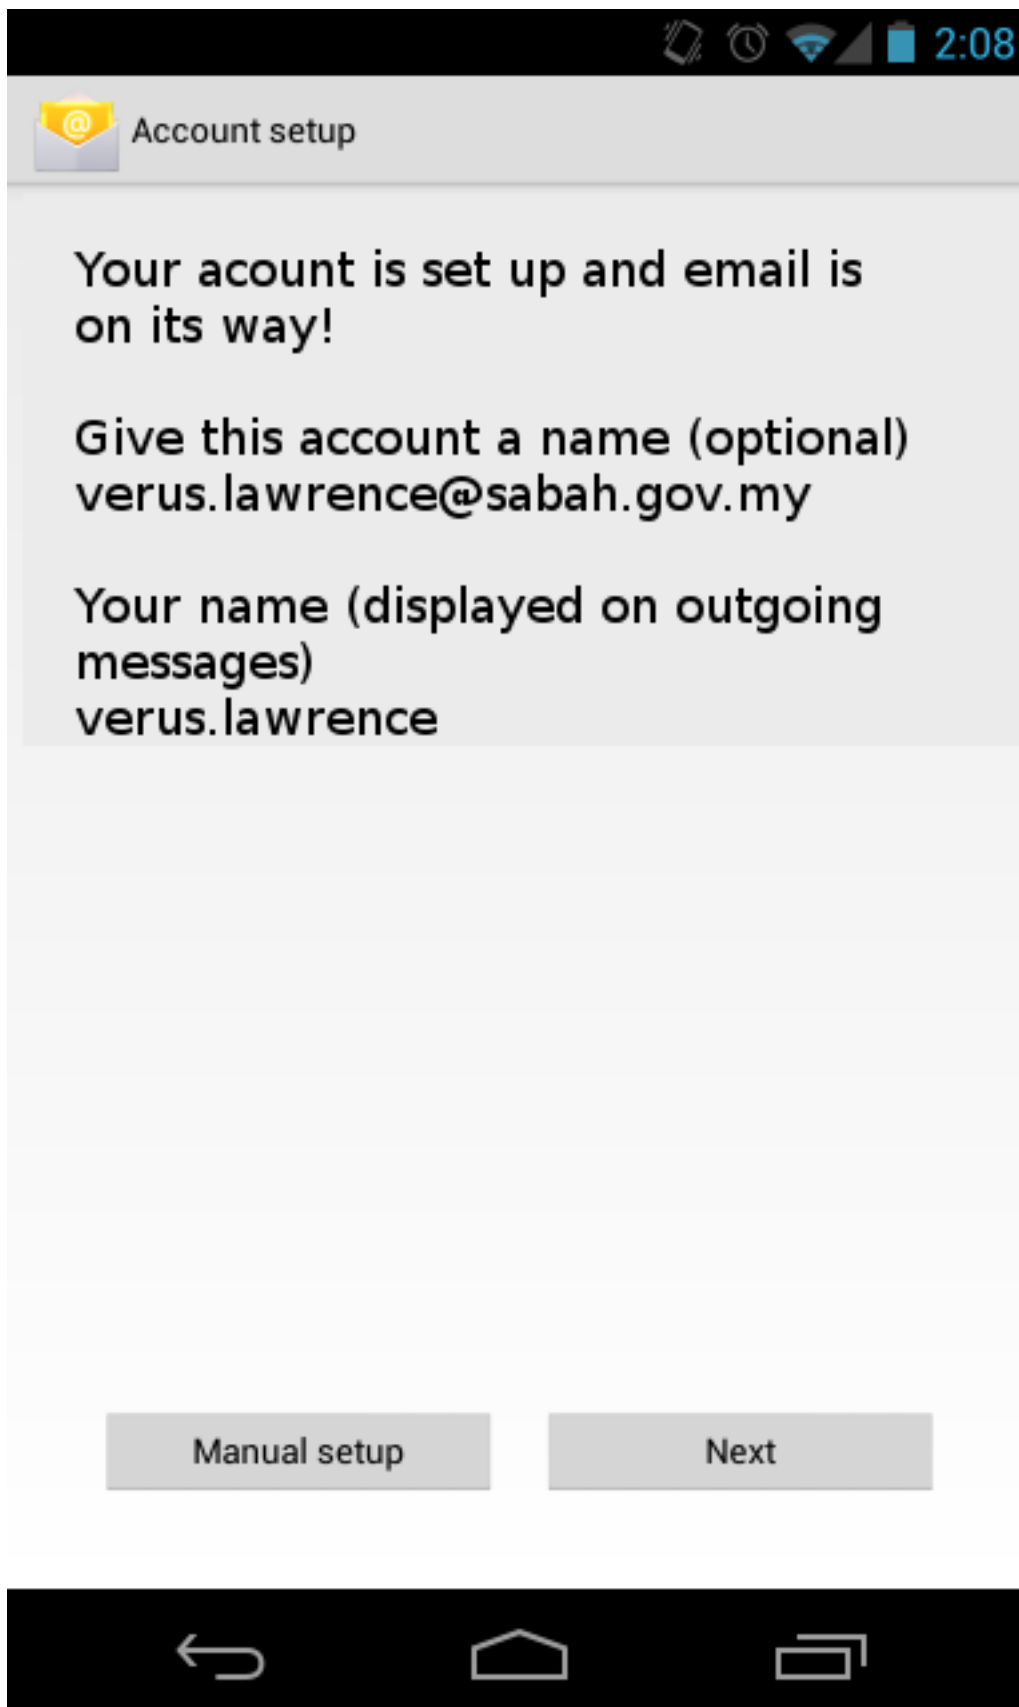

- SMTP server:** asmtplib.sabah.gov.my
- Port:** 587
- Security Type:** None
- Require signin:** (checked)
- Username:** verus.lawrence@sabah.gov.my
- Password:** *****

At the bottom of the form, there are two buttons: 'Manual setup' and 'Next'. Below the buttons is the Android navigation bar with icons for back, home, and recent apps.
